

Nursing Prerequisite Checklist

Use this form to track your progress as you prepare to apply to the Nursing program. This form is for your records only and **does not replace the program application**. More information can be found online (www.wvc.edu/alliedhealth).

General Requirements

- Cumulative GPA of 2.5 or higher
- Complete all prerequisites and corequisites with a C (2.0) or higher
- View or attend an Allied Health Information Session (www.wvc.edu/alliedhealth)
- Earn a passing score on the Test of Essential Academic Skills (www.wvc.edu/TEAS)
- You must be 18 by the start of the Nursing program

Prerequisites

Check course descriptions because some courses have prerequisites (see second page for a sequencing chart). Start by taking the courses you placed into. If you are a transfer student, talk to an Educational Planner to determine which courses to take first.

- CHEM& 121 Intro to Chemistry (5 credits)
- BIOL& 211 Majors Cellular (5 credits)
- BIOL& 241 Human Anatomy & Physiology 1 with lab (5 credits)*
- BIOL& 242 Human Anatomy & Physiology 2 with lab (5 credits)*
- BIOL& 260 Microbiology with lab (5 credits)*
- ENGL& 101 Composition: General (5 credits)
- MATH& 146 Introduction to Statistics (5 credits)
- PSYC& 100 General Psychology (5 credits)
- PSYC& 200 Lifespan Psychology (5 credits)
- One of the following:
 - Nursing Assistant Certificate of Completion from an approved program (www.wvc.edu/cna)
 - Current Washington State NA-C License

Corequisites

These courses can be completed after applying to the Nursing program but try to complete these as early as possible.

- Communication Course (5 credits)
 - Choose from ENGL 201, 202, 203 or 235
- Humanities Courses (10 credits)
 - Choose two 5-credit courses from Art, Chicano Studies, Communications, English (literature, creative writing, poetry, or fiction), Humanities, Music, Philosophy, Theater Arts, or World Language.
 - These can be from the same subject area. For example, two Spanish classes would satisfy the requirement.

*These courses (BIOL& 241, 242 and 260) must have been completed within seven years from time of application. Additionally, repetition of these courses (or equivalent) due to (a) earning a grade lower than a C (2.0), (b) withdrawal, or (c) changing from credit to audit mid-quarter will result in a deduction of points. Each repetition will result in additional deductions and deductions negatively affect the probability of success score. The deduction policy only applies to courses repeated since 2004.

Nursing Prerequisite & Corequisite Sequencing

The classes shown below must be taken in a specific order. Start by taking the classes you placed into. If you have earned credits from another college or university, request an Official Credit Evaluation and meet with an Educational Planner to determine your next steps.

English Sequence

Math Sequence

Science Sequence

Psychology Sequence

¹A 200-level English course is a corequisites and can be completed either before or after applying to the nursing program.

²You must complete MATH 99 with a C (2.0) or higher to enroll in CHEM& 121.

³These courses must have been completed within seven years from time of application. Additionally, repetition of these courses (or equivalent) due to (a) earning a grade lower than a C (2.0), (b) withdrawal, or (c) changing from credit to audit mid-quarter will result in a deduction of points. Each repetition will result in additional deductions and deductions negatively affect the probability of success score. The deduction policy only applies to courses repeated since 2004.

First Year	First Quarter	Second Quarter	Third Quarter	Fourth Quarter
Second year	First Quarter	Second Quarter	Third Quarter	Fourth Quarter
