

Wenatchee Valley College Radiologic Technology Program Effectiveness Data

The program's effectiveness data is listed below. The information is obtained from students enrolled in the program, graduates and employers. This information is required by and defined by the Joint Review Committee on Education in Radiologic Technology (JRCERT).

Annual Program Completion Rate:

Program Benchmark: yearly average of 75%

JRCERT Benchmark not identified –allows individual program to set

Year	# of Students Accepted	# completed w/in 150%	Completion Rate
2014	25	23	92%
2015	23	18	78%
2016	16	14	88%
2017	17	12	70%
2018	20	16	80%

Credentialing Examination – by the American Registry of Radiologic Technologists (ARRT)

Program Benchmark: 5 year average of not less than 90%

JRCERT Benchmark: 5 year average of not less than 75%

Year	# taking exam w/in 6 months	# passing on 1 st attempt w/in 6 months	% Passing
2014	20	18	90%
2015	18	18	100%
2016	14	14	100%
2017	12	11	92%
2018	16	16	100%
Totals	80	77	77/80 = 96%

Job Placement Rate in the field of radiologic sciences within 12 months of graduation

Program Benchmark: 5 year average of not less than 75%

JRCERT Benchmark: 5 year average of not less than 75%

Year	# of Graduates	# seeking Employment within 1 year of graduation	# gaining employment	# of students not actively seeking employment within 1 year of graduation	Job Placement Rate WVC/JRCERT
2014	23	19	19	4	100%
2015	18	16	16	2	100%
2016	14	12	11	3	92%
2017	12	9	9	3	100%
2018	16	10	10	6	100%
Totals	83	66	65		65/66 = 98%

5 year average 98 %
