

Name \_\_\_\_\_

*(Your name as it will appear on your name tag)***ADMISSION REQUIREMENTS**Please INITIAL in each box **AFTER COMPLETING:****2-step PPD**

- **Attach official documentation of 2 separate tuberculin skin tests placed 1-3 weeks apart** with negative results **within the last year** with your application. If it expires during the class being taken, it needs to be renewed BEFORE acceptance into the class.
- **Please note:** The 2-Step PPD test requires **FOUR visits** to your healthcare provider/clinic to complete. Be sure to ask for lot numbers and your record must show 4 different dates recorded.
- The QuantiFERON<sup>®</sup> TB Gold Test will be accepted in place of the two-step PPD. This TB blood test must not be more than one year old for the duration of the clinical experience. If it expires during the class being taken, it needs to be renewed BEFORE acceptance into the class.
- You will not be allowed to attend the clinical portion of the class without a current 2-step PPD or QuantiFERON<sup>®</sup> blood test, therefore, not completing the class.

**Hepatitis B vaccination**

- **Attach official documentation** of at least your first Hepatitis B vaccination.
- Your second HepB vaccination should be done 30 days after the first injection, and your third HepB vaccination should be done 4-6 months after your second injection.
- You will not be allowed to attend the clinical portion of the class without the first Hepatitis B vaccination, therefore not completing the class.

**Flu Vaccine**

- Depending on the availability of the flu vaccine, each student is required to be vaccinated by the announced date, prior to clinical experience. **This applies to fall, winter and early spring classes.**

**Background check**

- **Purchase a criminal background check.** You must create an account and purchase the background check at: <http://www.wenatcheevalleycompliance.com>.
- The background check is valid for 45 days. **Do not complete the background check more than 45 days prior to class, or you will have to complete it again.**
- Conviction of certain crimes may prevent completion of the clinical course requirements of the program and may also prevent future licensing and employment in the health field.
- You will not be allowed to attend the clinical portion of the class without the background check, therefore not completing the class.

**Major medical insurance**

- **Attach** verification (a copy of your current insurance card) of major medical insurance. This insurance must cover you in case of an injury at the clinical facility.
- If you do not have medical insurance you may purchase a short-term policy through [www.ehealthinsurance.com](http://www.ehealthinsurance.com).

- You will not be allowed to attend the clinical portion of the class without injury insurance, therefore not completing the class.

### **White scrub pants and clean white shoes.**

- High-quality, white uniform scrub pants are required for clinical days. Required clinical scrub top will be provided (see below for details). Scrubs of any color may be worn during classroom/lab time.
- Students must be in full uniform in the clinical area. Students who arrive for clinical experiences lacking full uniform requirements will be sent from the clinical area, therefore not completing the class.

### **Attendance is mandatory**

- There will be NO makeup days. This is a fast-paced, intensive course. Full-time attendance is critical to student success and a **requirement for completion**.

## **COURSE CONTENT**

The nursing assistant program at WVC provides the basics in care-giving skills for entry-level employment in healthcare. It includes instruction of personal care skills, roles and responsibilities of nursing assistants, communication skills, and safe and emergency procedures. Upon successful completion and evaluation by nursing faculty, students are eligible to take the licensure exam for nursing assistants under OBRA, fulfilling requirements as set forth by the State of Washington for healthcare professionals. This course, or its equivalent, meets the requirements as a prerequisite for entry into the Wenatchee Valley College Nursing Program.

The nursing assistant course consists of classroom hours and clinical instruction that will take place in the college lab and in one of the long-term care facilities that contract with Wenatchee Valley College for this purpose. The times for clinical training will generally be the same as the classroom hours.

- The student must demonstrate competency of knowledge at a passing rate of 80% -- compiled score on exams, quizzes, clinical competency and written skills/personal learning skills.
- The student must demonstrate competency of skills in the practice lab and in the clinical setting.
- **Attendance is mandatory** for successful completion of the course. There will be NO makeup days.
- This course includes 7 hours of required HIV/AIDS education, as required by Washington State. A certificate will be provided for completion of this training. Participation in this training is **required**, even if you've already completed it.
- This course includes CPR training for healthcare providers and First Aid. CPR and First Aid cards will be issued for completion of this training. Participation in this training is **required**, even if you already have valid CPR and/or First Aid cards.
- A certificate will be provided upon successful completion of this course.

## **COURSE SUPPLIES**

Students will need to provide:

- White scrub pants, as described below. Any color of scrubs (tops and bottoms) may be worn during classroom/lab time, but white scrub bottoms must be worn at the clinical facility. A WVC scrub top will be provided for clinicals.
- "Journal" type notebook and pen/pencil
- Watch with a second hand
- Suggested text: American Heart Association, Health Providers CPR. This will be loaned during the CPR portion of the course.

## CLINICAL EXPERIENCE

The student must be in full uniform at the clinical facility. Students who arrive for clinical experiences lacking full uniform requirements will be sent from the clinical area and therefore, not able to complete the class.

- A Wenatchee Valley College Nursing Assistant Student scrub top will be provided to each student prior to the first clinical day. This scrub **MUST BE** worn every day of the clinical experience with white scrub pants. The top **MUST BE** returned at the end of the class. If your scrub top is lost or damaged, you will be charged \$50 and your certificate will be withheld until full payment is made.
- Clean, white scrub pants.
- The uniform is to be washed daily to control cross infection and odors.
- Clean white shoes. No open-toed or open-heeled shoes. Clogs must have a back strap. Neutral socks/hose/undergarments. White athletic shoes are acceptable as long as the laces are white and the shoes are kept clean.
- Jewelry is to be kept to a minimum as a safety measure.
- Pierced body parts are considered a hazardous risk to the student in the clinical setting and are unacceptable, with the exception of one small stud-like earring on each earlobe.
- Tattoos must be covered.
- No artificial nails; nails should be short and without polish.
- Hair should be clean and secured in a manner to prevent it from falling into the face.

***Students are expected to maintain a professional appearance as representatives of the WVC Nursing Assistant Program.***

***Refunds will not be issued less than 72 hours before the first class day. If at the end of the course you do not pass the clinical portion you will not receive a certificate of completion from the State of Washington and no refund will be given.***
