sure to ask for lot numbers and your record must show 4 different dates recorded.

taken, it needs to be renewed BEFORE acceptance into the class.

QuantiFERON® blood test, therefore, not completing the class.

• The QuantiFERON® TB Gold Test will be accepted in place of the two-step PPD. This TB blood test must not be more than one year old for the duration of the clinical experience. If it expires during the class being

• You will not be allowed to attend the clinical portion of the class without a current 2-step PPD or

Hepatitis B vaccination Attach official documentation of your completed Hepatitis B vaccination series, or documentation of positive titer. If restarting HepB vaccination, please submit documentation of your first dose. The second HepB vaccination dose should be done 30 days after the first injection, and the third dose should be done 4-6 months after your second injection. You will not be allowed to attend the clinical portion of the class without fulfilling one of the HepB requirements stated above. Flu Vaccine Depending on the availability of the flu vaccine, each student is required to be vaccinated by the announced date, prior to clinical experience. This requirement applies only to fall, winter, and early spring sessions. Attach documentation of the flu vaccination. Background check #1 Purchase a criminal background check. You must create an account and purchase the background check at: http://www.wenatcheevalleycompliance.com. • The background check is valid for 45 days. Do not complete the background check more than 45 days prior to class, or you will have to complete it again. Conviction of certain crimes may prevent completion of the clinical course requirements of the program and may also prevent future licensing and employment in the health field. You will not be allowed to attend the clinical portion of the class without the background check, therefore not completing the class. **Background Check #2** A DSHS background check is required by the clinical facility. There is no cost to the student. Complete the online form with DSHS at https://fortress.wa.gov/dshs/bcs/. After the form is submitted, print your confirmation number. Include this document with your application. WVC will forward the confirmation number to the clinical facility. The facility will access the background check. If the DSHS background check has a disqualifying crime or pending crime, students will not be able to attend the clinical portion of the class, and will not complete the course. White scrub pants and clean white shoes High-quality, white uniform scrub pants are required for clinical days. A WVC clinical scrub top will be checked out to you for clinicals (see below for details). Scrubs of any color may be worn during classroom/lab time. Students must be in full uniform in the clinical area. Students who arrive for clinical experiences lacking full uniform requirements will be sent from the clinical area, therefore not completing the class. Attendance is mandatory There will be NO makeup days. This is a fast-paced, intensive course. Full-time attendance is critical to student success and a requirement for completion.

COURSE CONTENT

The nursing assistant bridge course consists of classroom hours and hours of clinical instruction that will take place in the college lab and in one of the long-term care facilities that contract with Wenatchee Valley College for this purpose. The times for clinical training will generally be the same as the classroom hours.

- The student must demonstrate competency of knowledge at a passing rate of 80% -- compiled score on exams, quizzes, clinical competency and written skills/personal learning skills.
- The student must demonstrate competency of skills in the practice lab and in the clinical setting.

- Attendance is mandatory for successful completion of the course. There will be NO makeup days.
- A certificate will be provided upon successful completion of this course.

COURSE SUPPLIES

Students will need to provide:

- "Journal" type notebook and pen/pencil
- · Watch with a second hand

CLINICAL EXPERIENCE

The student must be in full uniform in the clinical area. Students who arrive for clinical experiences lacking full uniform requirements will be sent from the clinical area and therefore, not able to complete the class.

- A Wenatchee Valley College Nursing Assistant Student scrub top will be checked out to each student prior to the
 first clinical day. This scrub top MUST BE worn every day of the clinical experience with white scrub pants. The
 top MUST BE returned at the end of the class. If your scrub top is lost or damaged, you will be charged \$50 and
 your certificate will be withheld until full payment is made.
- Clean, white scrub pants.
- The uniform is to be washed daily to control cross infection and odors.
- Clean white shoes. No open-toed or open-heeled shoes. Clogs must have a back strap. Neutral socks/hose/undergarments. White athletic shoes are acceptable as long as the laces are white and the shoes are kept clean.
- Jewelry is to be kept to a minimum as a safety measure.
- Pierced body parts are considered a hazardous risk to the student in the clinical setting and are unacceptable, with the exception of one small stud-like earring on each earlobe.
- Tattoos must be covered.
- No artificial nails; nails should be short and without polish.
- Hair should be clean and secured in a manner to prevent it from falling into the face.

Clean scrubs or lab coats and closed toe shoes must be worn in the simulation lab.

Students are expected to maintain a professional appearance as representatives of the WVC Nursing Assistant Program.

Refunds will not be issued less than 72 hours before the first class day. If at the end of the course you do not pass the clinical portion you will not receive a certificate of completion from the State of Washington and no refund will be given.
