On behalf of the faculty and staff, we would like to welcome you to Wenatchee Valley College. Enclosed with this letter is a list of WVC phone numbers, a campus map, and a student calendar for the current academic year.

Below is your Wenatchee Valley College Student Identification Number (or SID). You will use this number, along with your Personal Identification Number (or PIN) to access your student information online. Keep these numbers confidential and do not lose them! If you ever are concerned about the security of your SID or PIN, please contact Registration about steps to take to change these numbers.

You will learn more about using your SID and PIN numbers when you attend a New Student Advising session.

If you haven't already, you will need to complete the following steps before you enroll in classes at WVC. Please see the back of this letter for detailed information about completing each step:

- Apply for Financial Aid (apply early, since processing your aid can take several weeks)**
- Take the COMPASS Test for placement into math and English classes if you have not yet taken college level math or English classes OR your placement test scores are over three years old.**
- Update your educational plan with your adviser or an educational planner. Check the Student Kiosk for your Registration Time.**
- Submit official (sealed) high school/GED/other college transcripts to the Registration office (recommended)**

If you have any questions, please contact the Registration office during normal business hours at 509-682-6833. Thank you, and welcome to Wenatchee Valley College.

Sincerely,
Cecilia Escobedo
Admissions Office
