

Federal Direct Student Loan Program

Please read through this information carefully prior to completing the Student Loan Worksheet. If you have any questions, please contact the financial aid office.

Direct Loans are low-interest loans for students to help pay for the cost of a student's education. The lender is the U.S. Department of Education (ED) rather than a bank or other financial institution. This packet contains important instructions and information for processing your federal student loan. To apply for a Federal Direct Subsidized and /or Unsubsidized loan, you must complete and submit the 2021-2022 FAFSA application and the Student Loan Worksheet. To qualify for the loan you must be in an eligible degree or certificate program, be enrolled in 6 or more eligible credits and maintain satisfactory academic progress in each quarter you wish to receive a loan. Students must meet all eligibility requirements to receive a loan. The worksheet is your written permission for the financial aid office to process the loan request and send necessary loan information to the ED. This loan request is only valid for the 2021 – 2022 school year.

THE APPLICATION PROCESS

- *Please Note* Your 2021-2022 FAFSA needs to be completed, received and processed by both the ED AND our financial aid office.
 - Complete the online Entrance Counseling and Master Promissory Note (MPN) if you are a first time direct loan borrower. If you <u>recently</u> have had a Federal Direct Student loan, you only need to submit the loan worksheet.

To complete the Entrance Counseling and the MPN, please go to: www.studentaid.gov. The entrance counseling goes over your rights and responsibilities of being a student loan borrower. Sign-in using your FSA ID and password. To complete entrance counseling click on "I'm in School" and then "Complete Entrance Counseling". Next to "I am an Undergraduate Student" select "Start".

Your MPN is your promise to pay back the loan. To complete the MPN, click on "I'm in School" and then "Complete MPN - Loan Agreement". Next to "I'm an Undergraduate Student -MPN for Subsidized/Unsubsidized Loans" select "Start".

If you do not have Internet access, you may use the computers next to the financial aid office or the WVC library to complete this process. We will receive electronic confirmation from the ED when your entrance counseling and MPN have been completed.

2. Complete and submit the loan worksheet.
Fill out the 2021-2022 Student Loan worksheet completely and submit it to the WVC Financial Aid Office. Incomplete forms will not be processed.

You can submit the loan worksheet by mail, fax or email.

Wenatchee Valley College Financial Aid Office 1300 Fifth Street Wenatchee, WA 98801

Fax: 509-682-6811

Email: financialaid@wvc.edu

 Your loan request is processed after steps 1 and 2 are completed. Processing time can take up to 3 – 5 weeks depending on the volume of applications our office receives.

Once your loan has been processed, we will send your information to the ED for certification. You will be assigned a loan servicer on behalf of the ED. The loan servicer manages your loans and is your point of contact regarding repayment of your loans.

FINANCIAL AID NOTIFICATION

You will receive a financial aid notification from the financial aid office. It will be sent to your email. The letter will detail your loan amount(s) for which you are eligible for. You will also receive information from your loan servicer.

DISBURSEMENT INFORMATION

If you are a first-year student AND a first-time federal student loan borrower, your first quarter loan disbursement amount must be held for 30 days from the first day of the quarter, so please plan accordingly. For all other quarters and for non first-year first-time borrowers the 30 day wait period does not apply.

Your loan will be issued in multiple disbursements. If you are funded for one quarter only, then ED requires us to separate your loan into two equal payments; one at the beginning of the quarter (unless you have a 30 day hold) and one half-way through. If you check two or more quarters, the loan will be divided among all checked quarters for which you are eligible. We can divide your loan between prior quarters in the same academic year IF you were eligible during the prior quarters. If you are finishing a degree prior to the end of the school year, your loan will be prorated for the appropriate quarters.

The loan funds will be sent to the college first and be applied to any outstanding tuition and any related fee charges. Remaining funds will not be disbursed before the quarter begins. Funds are disbursed via BankMobile.

LOAN ELIGIBILITY

Remember, this is a federal student loan and it <u>MUST BE REPAID</u>. Do not borrow more than you need. Student loans cannot exceed a student's "Cost of Attendance". Year in college, length of program, credit level, dependency status, EFC & all other aid is taken into consideration when determining your eligibility; therefore you may not be eligible for the annual loan limits or the amount that you request.

Year in college is determined by the number of COMPLETED credits applied toward the degree you are CURRENTLY seeking at WVC. For instance, a student in the first quarter of the nursing program would be a first-year student, as any prerequisite credits will not be considered as part of the currently enrolled degree for loan purposes.

There is an exception for students who are not in a degree or certificate program and are only taking prerequisites. These students would only be eligible for loans and only for a 12 consecutive month period, during which they must be taking at least 6 credits of the required prerequisites each quarter in order to receive federal loans.

LOAN PROCESSING FEES

All federal Direct loans are subject to fees. The fees are paid to the ED to offset administrative costs and to guarantee loans. This loan origination fee is deducted before you receive any loan money, your <u>net</u> loan amount will be the amount you were funded minus the origination fee. The fee is 1.057%. Interest rate for loans is 3.73% and is set by the federal government each year.

When you repay your loan, you will be repaying the gross amount of the loan, not the net disbursed amount. The loan fees are part of your loan repayment.

RIGHTS AND RESPONSIBILITIES

You have the right to cancel your student loan at any time. If you want to cancel a future disbursement, you should notify our office two weeks before the expected disbursement date. If your loan has disbursed, you are committed to repaying the loan(s). You can send the funds directly back to your loan servicer as a payment. You can make repayments to your loan at anytime without penalty.

You can also increase or decrease a future disbursement. Again, you will need to notify our office at least two weeks before the scheduled disbursement date. To make any adjustments or cancellations to your loans you will need to complete and submit a *Loan Adjustment Request* form.

All loan recipients are required to complete exit counsleing when they graduate, leave school, or drop below half-time status. Exit counseling should be done one quarter before your expected graduation date or within two weeks of when you stop attending classes or withdraw from the college. Loan exit counseling can be done at www.studentaid.gov.
