

Wenatchee Valley College American Sign Language (ASL) Instructor

Wenatchee Valley College is seeking part time faculty to join its social sciences faculty, teaching American Sign Language (ASL). The successful candidate will teach a combination of in-person and online classes.

ASL is an important discipline in WVC's need to provide a balanced array of offerings in the humanities and in supporting the transfer degree programs which students use to continue study at four-year colleges across the state and country.
